Season Tickets (3 shows)

2022 - 2023 Donor Ticket Packages (5 Shows)

Follow the instructions to enter your donation amount, number of Season Tickets or single show tickets and select your seats. You will have an opportunity to select how to receive your tickets: Will Call, e-ticket, or Print at Home.

Notes on Donor Packages: You will automatically be placed in the appropriate Donor category when you enter the amount of your donation. You will be able to select your two complimentary seats for each show, plus buy extra seats next to yours as you work your way through the season. Note: the system has a quirky way of letting you select more than 2 comps for each show, but it will send you back to delete some if you pick more than 2! You do not need to select all your seats at this point. You can go back later to finish redeeming your package tickets or leave some unredeemed if there is a show you want to skip.

Checking Out: Note that if you have used your current email address to purchase tickets from Patio Players in the past several years, you already have an account set up in AudienceView Professional. To set up the password for your account, hit **Login** and then **Forgot Password** and the system will generate an email allowing you to set a password for you to access your account, see your orders and donations, and set email preferences. Donors will certainly want to set up their account if they are going to select some of their shows and seats at a later date.
